INNOVATIVE SOLUTIONS FOR INDOOR ENVIRONMENT

OUR CONCEPT

CLEANING MORE THAN JUST THE AIR

Dear Sir or Mdm,

Thank you for visiting A-Tech Engineering Company Limited website.

*To obtain full copy of this brochure, please complete the enquiry form at **CONTACT US** page and we will arrange to email you a copy of the brochure accordingly.*

Best regards

For many decades, germs and bacteria are found both in air and on surfaces. However, most people are unaware that airborne and not surface-borne germs are the most common cause of infections. This is why air filtration systems are essential in many applications, such as treating the environment, hospitals, and clean rooms.

It is a proven fact. Only MedKling can clean up what all the others miss. MedKling cleans more than just the air.

It is a proven fact. Only MedKling can clean up what all the others miss. MedKling cleans more than just the air.
